

Rules of Consultation

1. Work in the classroom (don't pull the child out)
2. Establish ground rules with the teachers
3. Respect whose turf you're on
4. Aim to make routines more successful for teachers and the child
5. Communicate during the activity
6. Position yourself to model and to observe
7. Model incidental teaching
8. Aim for child engagement, independence, and social relationships
9. Debrief before leaving
10. Make friends with the teachers
